Nick Pomponi Joins Evercore as Senior Managing Director in the Technology Group

NEW YORK, September 18, 2023 – Nick Pomponi joins Evercore today (NYSE: EVR) as a senior managing director in the Technology group and will be based in New York.

Mr. Pomponi comes to the firm after spending nearly 16 years at Goldman Sachs, where he was a partner and global co-head of software within the investment banking division. Over his tenure, he has advised technology companies at all stages of the business life cycle, from growth to maturity, working on their most important transactions, including strategic M&A and raising capital through IPOs, equity and debt raises.

Naveen Nataraj, co-head of Evercore’s U.S. investment banking business said, “Nick has deep industry relationships and an exceptional record of success having advised companies across a variety of technology sectors, and particularly in software. We are thrilled to have him join our deep bench of technology senior managing directors and help expand our coverage within the technology sector.”

Mr. Pomponi said, “Evercore’s technology team is one of the most experienced and talented in the industry. I have always respected Evercore’s commitment to excellence, long-term client-centric vision, and unwavering focus on providing the best, independent advice. I am excited to join the Evercore team and to help the firm continue to grow its world-class Technology practice.”

Mr. Pomponi holds an MBA From the University of Virginia Darden School of Business and a B.A. in economics from Villanova University.

About Evercore

Evercore (NYSE: EVR) is a premier global independent investment banking advisory firm. We are dedicated to helping our clients achieve superior results through trusted independent and innovative advice on matters of strategic significance to boards of directors, management teams and shareholders, including mergers and acquisitions, strategic shareholder advisory, restructurings and capital structure. Evercore also assists clients in raising public and private capital, delivers equity research and equity sales and agency trading execution, and provides wealth and investment management services to high-net-worth and institutional investors. Founded in 1995, the firm is headquartered in New York and maintains offices and affiliate offices in major financial centers in the Americas, Europe, the Middle East and Asia.
